1. Operator and acceptance

This website is operated by T&T Executive Single Member SA, registered at 193 Kifisias Avenue & 24 Iereos Dousi Street, 151 24 Marousi, Greece. EOT / GNT0 Co.Reg.No. 02.59.E.60.00.05.19.000 | GEMI / C.R.N. 211.730.1000 | VAT EL094438218. By using the website, you agree to these Terms of Use. If you do not agree, do not use the website.

2. Website purpose

The website provides general information about T&T's travel-management, meetings, events and related services and permits contact or enquiry. Unless a page expressly states otherwise, it is not an automated booking platform and does not itself confirm a travel reservation, price, availability or service contract.

3. Enquiries, quotations and service contracts

- An enquiry is not an acceptance or confirmed booking.
- A service becomes binding only through T&T's written confirmation or a separately executed client/booking agreement.
- Travel and event services may also be subject to supplier conditions, fare rules, cancellation terms, passport/visa/health requirements and applicable consumer/package-travel law.
- Users must provide accurate information and have authority to provide information about other travellers. Relevant privacy information must be made available to those travellers.

4. Permitted use and security

- Use the site lawfully and do not attempt unauthorized access, testing, disruption, scraping, malware delivery, impersonation or circumvention of controls.
- Do not submit unlawful, excessive or unnecessary sensitive information through general contact channels.
- Report suspected website security issues privately to T&T; do not exploit or publicly disclose them before reasonable remediation.

5. Intellectual property

Site text, branding, designs, images and other materials belong to T&T or its licensors and are protected by applicable law. Limited viewing and printing for personal or legitimate internal business evaluation is permitted. Reproduction, commercial exploitation, alteration or misleading association requires prior permission unless law provides otherwise.

6. Accuracy and availability

T&T takes reasonable care but website information may change and may not be complete for a particular journey or event. Users should obtain written confirmation before relying on price, availability, itinerary or legal/entry information. T&T may maintain, suspend or change the site. Nothing excludes duties that cannot lawfully be excluded.

7. Third-party links and suppliers

Links and references may lead to third-party sites, carriers, hotels, venues or other suppliers. Their terms, privacy practices and services are their responsibility. A link does not necessarily constitute endorsement. T&T remains responsible to the extent required by its own contract and applicable law.

8. Privacy and cookies

Personal data is handled under the T&T Website and Travel Services Privacy Notice. Cookies are handled under the T&T Cookie Notice and consent settings. These documents form part of the website's legal information but do not convert consent to these Terms into consent for unrelated personal-data processing.

9. Liability

To the maximum extent permitted by applicable law, T&T is not liable for loss caused solely by misuse of the website, circumstances outside reasonable control, or reliance on unconfirmed general website information. These Terms do not exclude or limit liability that cannot legally be excluded, statutory consumer rights, or liability arising under a separately agreed travel/event contract.

10. Changes

T&T may revise these Terms for legal, security, technical or business reasons. The current version and effective date will be published. Material changes do not retrospectively alter an already concluded service contract unless law or that contract permits.

11. Governing law and disputes

These Terms are governed by Greek law. Courts of Greece have jurisdiction, subject to mandatory consumer rights and applicable rules allowing a consumer to bring proceedings elsewhere. Users may contact T&T first so that concerns can be addressed promptly.
